

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: B.O.B.S. Presentation of Check for Infield Irrigation Systems at Kofu and Salas Parks

MEETING DATE: February 3, 1993

PREPARED BY: Parks and Recreation Director

RECOMMENDED ACTION: That the City Council accept a check for \$1,500.00 for the purchase of irrigation supplies/materials for Kofu and Salas Park infields. A representative of the B.O.B.S. organization will make the presentation.

BACKGROUND INFORMATION: The Boosters of Boys/Girls Sports Organization came to the Parks Division about purchasing supplies and materials to install two infield irrigation systems at Kofu and Salas Parks. Up to this time, these facilities would have to be hand watered (sprinklers set and moved), so now once installed, this process would be on automatic sprinklers and would reduce a considerable amount of parks labor. The Parks Division created an irrigation plan and cost estimate by Park Design Aide, Steve Virrey, since all concerned felt this is a very worthwhile project. The Parks Division has at this date installed the first of two systems - that at Kofu Park.

We come to you this evening to make it official and ask your recognition of the B.O.B.S. organization in stepping forward to assist us in our efforts to improve these facilities and not using or asking for City money.

FUNDING: Accept a \$1,500.00 check to be directed toward irrigation system installation. No new costs to the City, with the exception of Park crews to install system being required.

Dear Mr. Akin:

On behalf of the Lodi City Council, I would like to thank the Boys and Girls Sports Organization (B.O.B.S.) for the check in the amount of \$1,500 which was presented by Mr. Dick Slawson, Secretary of B.O.B.S. at the Lodi City Council meeting of February 3, 1993.

This purchase of the irrigation system will most definitely benefit both Kofu and Salas parks, and it is clubs such as yours that make this happen for the people of this community.

Once again, thank you for your Club's generosity.

Very truly yours,
